BUILDING PERMIT APPLICATION

1500 Morrow Rd. Morrow, GA 30260 678.902.0924 (T) 770.960.3002 (F)

Building Permit Application Procedures and Guidelines

No person, firm, or corporation shall erect, construct, enlarge, alter, repair, move, improve, convert or demolish any building or structure with the city, or cause the same to be done, without first obtaining a permit. Only general maintenance work is permitted without a building permit, as addressed in the [Property Maintenance Affidavit Form](#).

Application

1. The following items must be submitted with the Building Permit Application for renovations projects:
 - a. **(*NEW) Four (4) complete set of plans**
 - Plans to include architectural, structural, HVAC/mechanical, plumbing, electrical, sprinkler, alarm, sign (s) and other applicable trades. In accordance with the International Building Code (IBC) 2012 edition, with Georgia amendments and NFPA 101 Life Safety Codes 2012 Edition, plans must bear the seal of a Georgia Registration Architect or Engineer.
 - Separate submittal for sign (s) and fire sprinkler installation is required.
 - b. **Digital version of plan on compact disc (PDF or AutoCAD)**
 - c. **Building Renovation & Redevelopment Plan Review Checklist**
 - d. **Letter of Authorization from property owner to submit for a Building Permit**
2. For redevelopment construction, civil and construction plans must include a: site plan, topography, parking diagram, storm water control, method of site soil and erosion control during construction, landscape design detailing type/size shrubbery, trees, plants, etc.
 - a. Six (6) copies of site plans are to be submitted to the Community Development Department for review and approval by the Public Works Director, etc.

Plan Review, Permit Issuance, and Inspections

1. Once plans and the Building Permit application is submitted with plan review fees, plans will be submitted to the Building Official, Fire Marshal and Community Development Department for review.
2. Fees for all plan reviews are identified in the Fee Schedule.
3. Allow 1 ½ weeks for the plan review process.
4. Once plans have been reviewed and approved, a permit will be issued by the Community Development Department. If plans are not approved during the review process, the contractor or company will be notified to make any necessary changes.
5. With the issuance of a building permit, the general contractor agrees to assume responsibility of the following:
 - a. To ascertain that all required permits are obtained.
 - b. To ascertain that all sub-contractors have a current Occupational License from a municipality or county with the State of Georgia.
 - c. To assure compliance with all applicable City of Morrow Ordinances and Regulations.
 - d. To contact the Community Development Department to schedule an inspection with the City Fire Marshal upon completion of approximately 60 percent, and 80 percent of the project.

1500 Morrow Rd. Morrow, GA 30260 678.902.0924 (T) 770.960.3002 (F)

6. The Certificate of Occupancy will be issued upon the approval of the following:
 - a. Final inspections of all structural, electrical, HVAC/mechanical, plumbing, and low-voltage work will be conducted by the Building Official; Fire Marshal; and Public Works inspector(s).
 - b. Certification that all sub-contractors have an Occupational License and proper permits.
 - c. Certification of approval from all other applicable agencies, i.e. Environmental Health Department, D.O.T, Water Authority, etc.
 - d. The occupant has obtained a City of Morrow Occupational License.

Note: A Certificate of Occupancy must be obtained prior to occupying any premises.

General Information

- Separate permits are required for grading, electrical, plumbing, HVAC/mechanical, and low-voltage.
- ***Exception: The Community Development Department has created a one-permit system for all new single-family homes built in the City. Refer to the Subcontractor's Affidavit on the on-line Permits web page.**
- A homeowner is exempt from obtaining a building permit for remodeling and/or improving his or her dwelling or property as long as the cost of the construction materials do not exceed \$1000, and the work is begun and completed solely by the homeowner. ***This exemption applies only to nonstructural changes and does not apply to any activity which changes the square footage of a structure.
- Permit fees are due at the time of application. Such fees shall be established in accordance with a schedule approved by the mayor and council, as may be revised from time to time.
- Permits are valid for six (6) months from the date of issuance; provided that if the work is not completed within the initial permit term, but has been diligently pursued, the permit may be extended, without additional charge, for successive three-month terms, so long as the work continues to be diligently prosecuted.
- No person shall engage in electrical, plumbing, HVAC/mechanical, or low-voltage contracting on any work within the City unless licensed by the State of Georgia. Where a state license is required, every applicant for a permit shall furnish proof, at the time of application, that he or the person contracted to do the work holds a valid state license in good standing.
- Prior to permit issuance, in addition to the information requested on the permit application, the building official may require tests, plans and specifications, plats and other written documentation from engineers, architects, land surveyors, and other professionals to ensure that full compliance with all permitting requirements of the state minimum standard codes and applicable laws have been met.
- No permit shall be issued for any building or structure which does not have access to public water and sewer unless plans for a well and/or septic tank has been approved by the Clayton County Environmental Health Department.

Note: Basic rules and regulations are presented in this document. For the City Ordinance building requirements/ guidelines for the City of Morrow, visit www.municode.com.

*****A Certificate of Completion may be issued for alterations, renovations, and/or general repair. Once you have received the final inspection from the Public Works Director, Building Inspector and/or Fire Marshal, contact Yasmin Julio within the Community Development Department at 678-902-0924 to receive a Certificate of Occupancy (C/O). C/Os will only be issued to tenants/businesses that have met all City requirements to occupy a business.**
