

Message from Mayor Burke

August 13, 2014

I want to take a moment to personally thank our citizens who have been so involved with our city over the past few months. I want to send a special thanks to those citizens who served on our Citizen Review Team during the selection process for our new Police Chief. I understand how demanding schedules can be and when citizens are willing to put forth their personal time and dedicate themselves to working hard for our city, it makes me remember one of the reasons I love being the Mayor of Morrow. We have a great city, we have a great team working for this city, and we have truly remarkable residents who continue to demonstrate their commitment to Morrow.
