

*At the Council meeting on January 14, 2014, two pillars of the City of Morrow community stepped down from the Dias one last time as Council Members. Bob Huie and Virlyn Slaton made the decision earlier this year not to run for re-election and officially left office (retired) at the Council meeting.*

*Both Mr. Huie and Mr. Slaton have long standing histories of service to the City both as elected officials and volunteers in the community. Mr. Huie spoke briefly with the highlight of his speech being his recognition of his wife, Becky for her support throughout the years.*

*Following the meeting, the City hosted a reception in honor of Mr. Huie and Mr. Slaton where Police Chief, Chris Leighty presented a parting gift.*

*Congratulations to Mr. Huie and Mr. Slaton!*
